Dear Friend of Fourth & Hope,

Empty Bowls is more than a fundraiser—it's a statement of compassion and community. On **Wednesday, October 22**, we invite you to join us at **Life Pointe Church in Woodland** for the **17th Annual Empty Bowls**, where guests will share a humble meal of soup and bread as a symbol of solidarity with our hungry and unhoused neighbors.

This event supports one of our most vital services: the food program, which nourishes hundreds of people every day. Last year alone, we served over **92,000 meals**, supported **242 individuals** in our shelter, and helped 66 people transition into housing. We also provided outreach services to more than 200 people living on the streets, offering critical support and pathways to care.

Our goal this year is to raise **\$50,000** toward our \$92,000 annual food budget. Your sponsorship directly helps us serve hot meals, offer safety, and connect individuals to recovery, housing, and healing.

Your sponsorship will help ensure the success of our event and allow Fourth & Hope to further its **Mission to Change Lives**. We've attached a list of sponsorship opportunities and benefits to review. We appreciate your consideration. Together, we will bring help today to Hope for Tomorrow.

Sincerely,

Scott Mansell

OUR PROGRAMS

NAVIGATION CENTER—SHELTER SERVICES

A vital entry point for individuals experiencing homelessness. Our 100-bed facility operates as Yolo County's primary Navigation Center, providing emergency shelter while connecting individuals to long-term solutions. Open 365 days a year, it offers more than a place to sleep—it is a gateway to stability. Clients receive nutritious meals, safe rest, and direct access to case management, behavioral health support, and referrals to specialized programs across the county. Our team works to identify root causes and connect each person with the right resources—whether that's treatment, housing, or healthcare.

TREATMENT—WALTER'S HOUSE

Walter's House is our 60-bed residential substance use treatment program, providing structured recovery for men and women. The facility offers clinical assessments, individual and group therapy, family services, crisis intervention, and aftercare planning. Accredited by CARF and certified by Medi-Cal, it is a cornerstone of our continuum of care. Last year, 304 people received treatment through our residential and outpatient programs.

HOUSING & RECOVERY SUPPORT

Our housing programs offer critical stepping stones for individuals and families on their path to independence. This includes transitional housing, permanent supportive housing, and a specialized 24-bed **Behavioral Health Bridge Housing** program for women. Each model offers safe, short-term or long-term housing, along with individualized case management and supportive services tailored to meet the needs of each resident. Last year, 147 people—men, women, and families—found stability through these programs.
